I can't stand it, but next year I won't have to take it cause I'll drive! Well, take it easy and stay with Chris! Love our own in-coming!

DEDICATION

The custom of the Annual Staff is to dedicate our work to an individual who has done more than his share to make Jackson High School outstanding. To show our appreciation and gratitude, we dedicate the Jacksonian '67-68' to one of the finest men in the history of Jackson High School, Art Instructor, Coach John P. Lamat.

Since he has come to Jackson High School, the students have received art awards, never before gotten. He has taken upon himself to brighten the halls and offices with art work. Mr. Lamat is constantly aware of new approaches in gaining the interest of the students. These vary from sponsoring field trips to art galleries and exhibits to entering the students' creations in art competition. Many of his hours have been donated to the building of a new and better track field. He spent much of his time assisting the students in extra-curricular activities. He has decorated for formal dances, chaperoned snow trips, and painted posters and signs for our games and rallies.

The yearbook staff would like to express their gratitude for the time and energy he has donated to the yearbook. Very few of the students will ever forget this remarkable man to whom this book is dedicated.

Rick - So a real cool
junior. Well you only
have one more year
and you're pretty

CHRISTMAS IN CANDYLAND

Queen Patti & King Scott

Christmas in Candyland was the theme of the F. H. A. 's annual Christmas Dance. December 16 was the date and the setting was the Jackson Cafeteria. The room was decorated in red and white with candy canes and lollypops as its motif. Sound and lighting effects by the Untamed Sound heightened the mood of the evening. Patti Thompson and Scott Sharp were chosen as the royal couple.

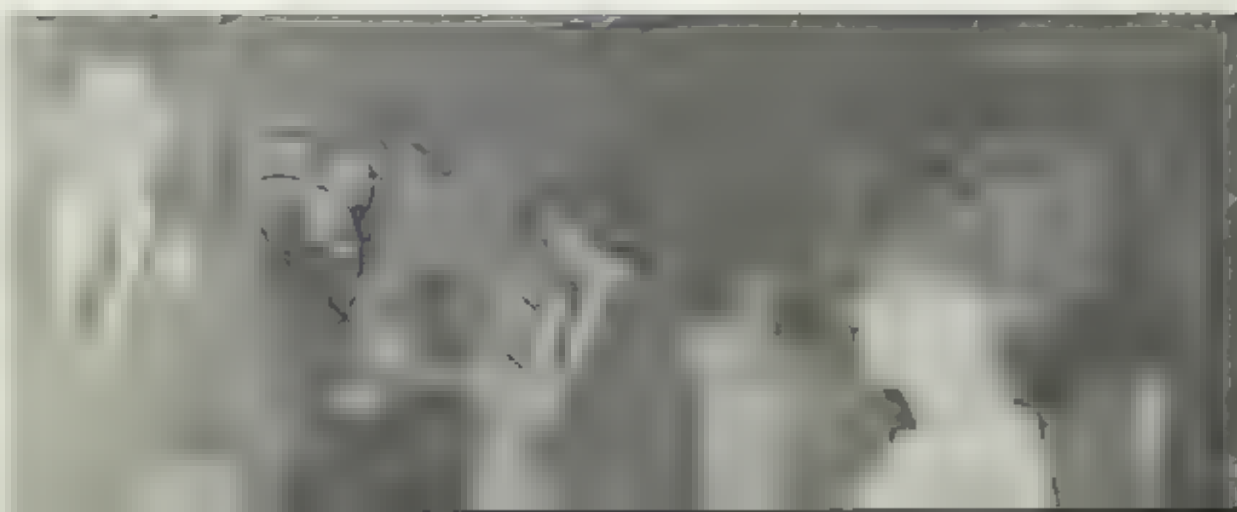

SOPHOMORE

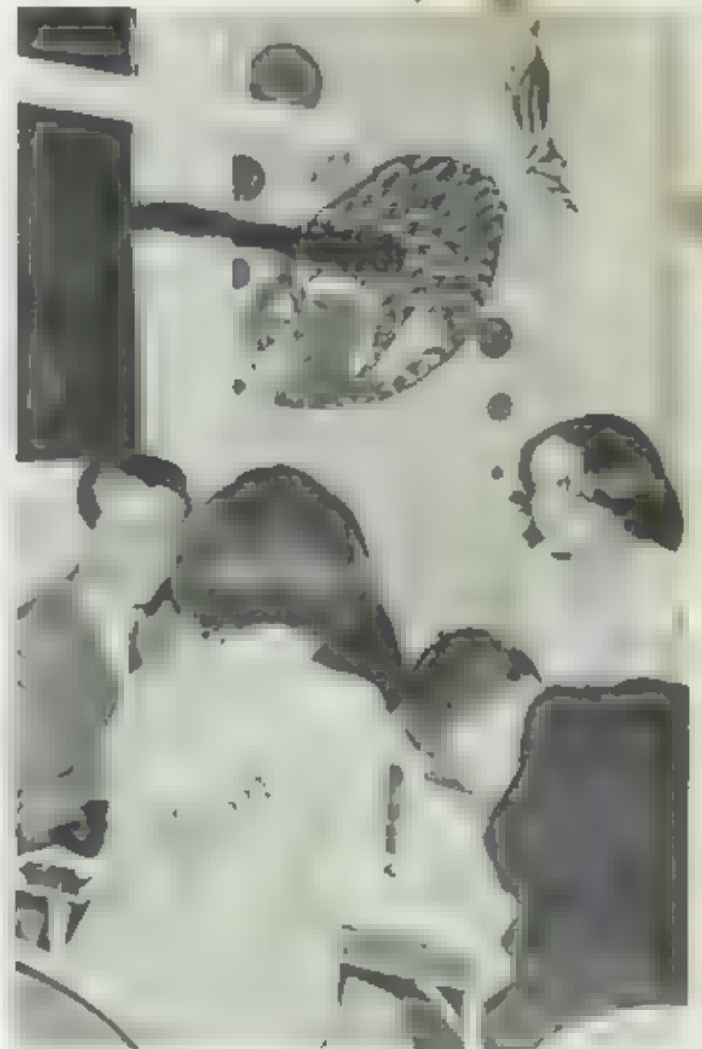

Queen Marcie & King Ron

The evening began at 8:00 with music by the Yukon Daily in an underwater "Shipwreck." Fish decorating the walls watched as the Simultaneous Avalanche played during intermission. Marcie LaShells and Ron Ames reigned until 12:00 as King and Queen of the Hop.

In 1968 the Jackson Tigers are defending Champions of the Mother Lode League. Returning All-League selections, pitcher Ernie Peters, outfielder John Begovich, and shortstop Chris Martin, give the Tigers another strong unit. Strengthening the pitching staff is senior Phil Giurlani and up from the Junior Varsity is Martin Ryan. Catcher Ron Oneto and Roger Campbell provide some of the power for the Tiger batsmen.

PRINCIPAL'S MESSAGE

Today, the function of education is to help each student become as effective a person as it is within his power to achieve. What each of you do before you enter the adult world is a reflection of your performance as a student.

For, it is when you are working as a student or on leisure time at home, that you lay a basis for your life performance. These thoughts are so important, the researchers have given a name to them, "Preparing for your goals in life."

Well finally I have a chance to write you! But really I don't have much to say because every one else just took the words out of my mouth!! - only kidding. Well, I'm sure going to miss you when you go away to college. You're the greatest guy I have ever met and I hope we will never break up. Even tho' you give all the other girls a hard time, I'm only kidding when I say you flirt. Heck, if you didn't at all I would think there is something wrong with you - not that I don't all ready! I'll never forget all the good times we have had already and I'm sure will have a lot of good times to come, because I know the summer will be a complete Blast! And we always have our very talkative phone ~~calls~~ (mistake!) calls to remember, which are very impossible to forget. You're so sweet to me and everyone else and everyone knows how lucky I am to have you and I think so to!! (I only made one mistake is that pretty good!) So, I will end this just remember I love you and think so much of you and about you that I'm full to my eyes and ears! (?) Ah! and don't forget "71" is better than "69". Rick, you should try to adjust to that fact! All my love, Chris

I have been thinking of you a great deal lately. I hope you are well and happy. I have been very busy lately, but I always find time to think of my friends. I hope to hear from you soon. Rick:

It's been more than fun (otherwise known as "oh no" 9 guess knowing you. Remember (you're known as "oh no" because of your English 4 and those crazy) fabulous dancing times also the library ability. You've been the same without advice, especially since you taking our classes and most of it worked out trying to think! You succeeded in becoming the fun. Loads of luck in part of generation and you see whatever you do and running closely behind (understood) keep on having fun. for "class part."

P.S. Keep. Always, Mary your own past/present. '68 '09 more often, closely guarded?

Give got - we think to say. Good luck leaving your beard and try not to let being a seniors go to your head!

Rick, Well, 69th looks like your a big senior next year shoving and pushing all the underclassmen and a big headed 69^{er}. Always remember the good old days on the track racking our legs on those dirty rotten hurdles.
